

To Whom it May Concern:

It is with great pleasure that I write this letter of recommendation for Littlest Angels Learning Center. We have always been pleased with their customer service. Friendly, helpful faces await us with each day. The flexibility of the Center is particularly wonderful for our family as we do not have a "regular" schedule. They have always been more than willing to accommodate us.

The safety of my children is never in question. The communication between buildings and personnel gives a true sense of security at all times. In addition, the cleanliness of the facility is above par. Our first exposure to Littlest Angels was with my nephew more than 10 years ago and I must say that the Center still looks as new as it was back then. The materials are clean, the furniture is not beat up, the painted walls, restrooms, and playgrounds are kept to a high standard.

All of these pieces add up to a place I am happy to bring my children to each day. I have a great piece of mind leaving them in the hands of Littlest Angels Learning Center. We would highly recommend them to anyone and, more importantly, so would our children.

Thank You,

We were a new family to the Cincinnati area. We have no family to help out when we had our first child. My husband visited every child care place in the Florence area and ranked his top three depending on price and how comfortable he felt with each center. His top pick was Littlest Angels. I immediately fell in love with the daycare. The atmosphere is a family one where the owner takes so much pride in the center, not like a chain daycare where there are many different owners and managers. Our child was put in daycare at 12 weeks old. The infant room is so wonderful and the teachers never made us feel stupid even when we made some "rookie" parenting mistakes. The teachers helped us start our child on cereal, transition from the pacifier and start drinking from a sippy cup. Each time our child moves rooms; the staff walks us through the process and lets us know what our child's day will be like. Our child is a two year old now and loves going to Littlest Angels. There are even days when he doesn't want to go home. The staff is so wonderful and helpful that it makes my decision to work outside the home so much easier. I would recommend this daycare for everyone in the area.
